BETHLEHEM BAPTIST CHURCH

Celebrating 150 years in Gum Springs, VA 1863 2015

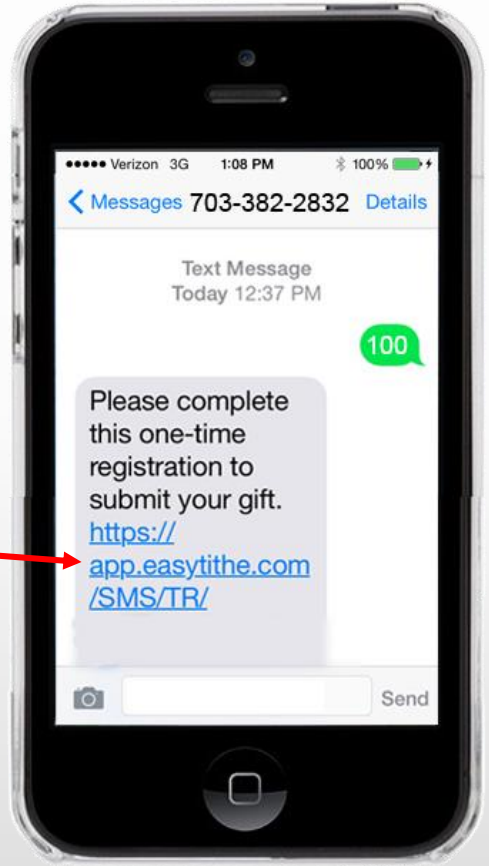
Rev. Dr. Darrell K. White, Pastor

1. Easy Tithe now offers Text Giving to all of our churches & organizations. Here is how it works: Your organization will be assigned its own unique 10 digit mobile number with your local area code.

- **Bethlehem Baptist Church Text Giving # [703-382-2832]**

2. Donors will text an amount to that number.
3. The first time a donor texts a donation, they will be prompted with a one-time registration screen.

- This will assign their mobile number to your organization, and allow them to select what account their text donations are withdrawn from.
- All subsequent donations will simply be texting the amount to your number (which can be saved for easy access in their phone's contact list).



Text Giving

4. Donors will get a text confirmation that their donation was successful.
5. Donors who text donations and donate online (or through the mobile web interface) will have all of their history tied to their account.

Note:
Text donations are NOT settled by their cellular service carrier. Text donations are processed and settled by your existing account with us. These transactions will settle in the same manner and speed as your online donations.

There no fees assessed to the donor for any transaction.
