Tips for Navigating "GoToMeeting" Video Worship

“GoToMeeting” Children’s Church Etiquette

- Login early to ensure on time access to the service.
- Adjust your lighting. Don’t sit directly in front or beside a bright light source.
- Experiment with moving lamps and your camera until you can see your brightly-lit face on the screen.
- Remember you are on camera.... the less you move the better your worship experience will be.
- You will automatically be placed on Mute before the Worship Service begins.
- Ensure there is no background noise in the room, before service begins (TV, music and family members talking).

Rules of Engagement

- 1) Type your comment or question into the "Chat" window to our Moderator Sister D Bell.
- 2) If you would like to speak your question put a "?" into the "Chat" window to Moderator Sister D Bell who will call your name when it is your turn to speak.
